### **About Us**

Income Tax & Audit a NYC Certified Public Accounting firm, we provide a wide variety of tax management and financial planning services tailored to meet the needs of our clients. Whether you're a business or an individual, you can rely on us for tax services performed by real people that care about saving you money. Our attentive staff can identify valuable credits and deductions that will help you hold on to more of your hard-earned money.

Through continued training, we are committed to providing strategies that will minimize your tax liability. We make it our aim to keep pace with the most current Federal and State tax regulations in order to prepare accurate tax returns for all of our clients. Our services are designed to make the entire process easy for you.
